

RISING STARS

NIGHT of EXCELLENCE

Saturday April 18, 2020 | Centro Caboto Centre | Semi Formal
1055 Wilkes Ave, Winnipeg, MB R3P 2L7

The Rising Stars Foundation will be hosting its annual fundraising Night of Excellence on Saturday, April 18, 2020. All proceeds from the dinner will go towards removing financial, academic and socioeconomic barriers for underserved youth in Manitoba. The Rising Stars Foundation is a charitable grassroots organization with the mission of uplifting our community by providing scholarships, support, and mentorship opportunities for aspiring student-athletes and student leaders throughout the province. Through our programming and your support, we aim to develop leaders through a combination of academics and athletics.

With your support through sponsorship and/or ticket purchases you will be investing in Manitoba's youth. Your contribution will encourage marginalized youth to fully utilize their gifts and transform their adversity into impactful positive change. Together we can provide the opportunity for them to soar and become beacons of hope.

The Night of Excellence will take place at the Caboto Centre and will feature a buffet style dinner from Sorrento's. The formal portion of the night will include powerful stories from youth leaders; demonstrating determination, perseverance, and a hunger for positive change. Join us on Saturday April 18 as we award Scholarships and bursaries to these youth leaders. Tickets are \$50 tables \$500.

Wilfred Sam-King
President

A handwritten signature in black ink, appearing to read "Wilfred Sam-King".
